Will Direct War Council of Organization During Hostilities.

Washington, May 11-Henry P. mally announced yesterday his acceptance of the chairmanship of a war council of the American National Red ss, created by President Wilson to

organize the extraordinary efforts the Red Cross must make in the war. Other members of the War Council are: Charles D. Norton, of New York city; Grayson M. P. Murphy, of New York: Edwin N. Hurley of Chicago. York; Edwin N. Hurley, of Chicago; Corneulius N. Bliss, Jr., of New York, and Eliot Wadsworth, of Boston. William H. Tatt, chairman of the Red Cross Central Committee, will

work with the war council.
"I have enlisted in this work for the period of the war," said Mr. Davn. "Our effort will be to meet the precedented demands which will be de for relief work, both with the in the field and with civilians.

we cannot at this time state any regram, for what we will do must spend upon the response of the imerican people to our appeals for ipport. But with the fighting forces ar work can be at the same time the lighest humanitarian service in the list of a conference of the same time the list of the conference of the same time the list of the conference of the same time the list of the conference of the same time the list of the conference of the same time the list of the conference of the same time the list of the conference of the same time the list of the conference of the same time the list of the same time the list of the same time the list of the nighest humanitarian service in the for in the winning of the war." Organization to Begin June 1.

wison said that all the agenes of J. P. Morgan & Co. were at the disposal of the Red Cross for this ork. He expects an intensive organation campaign to be begun not ter than June 1.

experience in the Pequonnock tonal bank of this city. He has tives and many friends here.

and Mrs. Frederick M. Wilson of \$34 Myrtle avenue have announced the engagement of their daughter, the engagement of their daughter, Miss Helen Wilson, to James B. Murray, British Consul at Colon, Panama. Miss Wilson and her parents have just returned from a tour of South America and Panama. Miss Wilson is particularly prominent in this city and the amouncement of her eagagement has been received with much interest. The wedding date has not been set.

The Surgical Dressings committee have "adopted" one of the French babies which the Bridgeport Branch of the Fatheriese Children of France society has ready for adoption. Ten cents a day will feed the child and anyone who will agree to pay that amount for a year may "adopt" a child. The children range from infants to sixteen years of age. People who donate the cost of hving for one year to a child will receive the picyear to a child will receive the pic-ture of the child, and may communicate with its people if they wish. Charles G. Sanford is treasurer of the branch in tale city, Mrs. Waldo C. Bryant is temperary chairman and Mrs. W. H. Ham is secretary, Any of these will be glad to answer questions are will be glad to answer questions are will be glad to answer questions.

SENATE RESTRICTS **CENSORSHIP POWER** OF THE PRESIDENT

Amendment In Spy Bill Denies Limited Comment or Criticism.

Washington, May 11-The United States Senate last night re-wrote en-Espionage Bill. The revision of the Columbia University Free American hospital unit, No. 2, of the American

the full light of publicity. pear little resemblance to the work of Attorney General Gregory and his which it was the most conspicuous

After ripping the original provision to shreds, Senator Thomas of Colorado, with the assistance of the repterian hospital, Bellevue hospital and terian hospital, Bellevue hospital and Sur-

manager of the measure.
Under its terms the President is authorized to prevent the publication of news specifically relating to the movement, numbers, description and disposition of the armed forces of the country, but is not given the power to policies of the government.

In this form the entire Espionage was advanced to a completed stage by a Committee of the Whole of the Senate, and is now before that body for final action. The formal acceptance of the Thomas amend-

His objection was not supported by any of his colleagues, but was sufficient to defer final discussion and social AND PERSONAL the fixing of time for a vote on the measure. As amended by the Senate the bill will now be considered, and nasmuch as most of the objectionable features of it have been corrected or stimulated, it is not expected that there will be any serious opposition to it and that it will be disposed of

onight or on Saturday. In addition to rewriting the censorship feature, the Senate radically modified the last chapter of the bill, which proposed to confer upon the Postmaster General autocratic power to censor the mails and to determine the character of written and printed matter to be excluded.

The authority which the measure drawn by the Department of Justice proposed to give the Postmaster Genera' was considered entirely too autocratic and was amended without opposition.

LIBERIA ANNOUNCES BREAK WITH GERMANY.

Washington, May 11-Liberia's decision to sever relations with Ger-many were officially reported yesterday by the American minister there. Considerable importance is attached to this step, as Liberia is the land-ing point of many cables and was used for some time by German residents as a base against the British. Recently, however, the Liberian authorities have suppressed that hostil-

It was announced officially in Berlin that the recent reports of an attempt to assassinate the Kalser were untrue.

to Be Assigned for Field Service.
